

**Wallace Community College
Drug Screen Policy Agreement**

In preparation for participation in clinical/laboratory activities of health science programs or other programs/activities requiring drug screening as outlined in the Wallace Community College Substance Abuse Control Policy, I hereby consent to submit to a urinalysis and/or other tests as shall be determined by Wallace Community College for the purpose of determining substance use. I agree that specimens for the tests will be collected in accordance with guidelines established in the Mandatory Guidelines for Federal Workplace Drug Testing Programs and as described in the Wallace Community College Substance Abuse Control Policy Guidelines.

I further agree to, and hereby authorize, the release of the results of said tests to the appropriate designee of Wallace Community College. All positive results will be reviewed by said College designee and followed by a confidential contact with me. I understand that positive results indicating the current use of drugs and/or alcohol shall prohibit me from participating in clinical/laboratory activities of health science programs or other activities requiring that I be drug free. I further understand that clinical/laboratory components of courses within health programs are required curriculum components and that an inability to attend said components may prevent or delay my program completion. I also understand that while participating in clinical activities within outside health care agencies, I will be subject to the same rules as the health care employees in said facilities.

I agree to hold harmless Wallace Community College and its designee(s) and Prime Care and its Medical Review Officer from any liability arising in whole or in part from the collection of specimens, testing, and use of the results from said test in connection with excluding me from participation in clinical/laboratory activities.

I have carefully read the foregoing and fully understand its contents. I acknowledge that my signing of this consent and release form is a voluntary act on my part and that I have not been coerced by anyone to sign this document. A copy of this signed and dated document will constitute my consent for Prime Care to perform the drug screen and to release the results to Wallace Community College.
