

Clinical Attendance (ADN)

ADN students are expected to abide by all policies of the health care facility in which they are participating for clinical. When in the clinical area, students are to address all personnel by their proper title.

If a student is unable to report to their assigned clinical area, they must:

- a. Notify their clinical instructor prior to the scheduled time of clinical.
- b. Notify the clinical area in which they are assigned.

Contact information will be provided to you by your clinical instructor. A message must reach the clinical instructor prior to the beginning of the clinical. Failure to contact your clinical instructor will result in unsatisfactory performance for the day.

Students must be clean and appropriately dressed when attending any clinical. Failure to adhere to this requirement will result in dismissal from clinical activities for the day and could potentially result in a failing grade for the respective nursing course.
