If you are accessing this information on-line, click on the link above. If typing it in, make sure you put the link in the address bar at the top of your computer screen-do not put this link in a search engine text box (eg, Google, Bing).

If you have any questions or problems during the information entry process, contact the Client Services Team at Verified Credentials. Call 800-938-6090 or email ClientServices@verifiedcredentials.com.

How It Works:

Enter code for the program you will be attending in the "Get Started!" box on the top right side of the page. Use the first-time code if you are new to the program. The update code is used when one who previously completed a full background screen breaks enrollment for a term and then re-enrolls.
