

Identification Verification

Students are required to provide identification verification for every class in which they are enrolled. All instructors will verify each student's identify by a Wallace Community College Student Photo Identification. No other form of photo identifications will be accepted. Students registered for classes that physically meet on campus must obtain a standard ID, which are available in the Learning Resources Center (LRC) on the Wallace and Sparks Campuses. Students registered for on-line classes may obtain a digital ID. Invitations to create a digital ID are sent to the student's College e-mail address at the beginning of each term after the drop/add period. Failure to provide identification will prevent the student from taking any quiz or exam.
