

Procedure for Allegations of Non-Compliance with JRCERT Standards

Students obtain the right to submit allegations against a Joint Review Committee on Education in Radiologic Technology (JRCERT)-accredited program if there is some reason to believe that the program has acted contrary to JRCERT accreditation standards or those conditions at the program appears to jeopardize the quality of instruction or the general welfare of its students.

The student must first attempt to resolve any formal/program grievance with institution/ program officials by following the grievance procedure outlined in the institution/ program. If the student is unable to resolve complaint with institution/ program officials or believes that the concerns have not been properly addressed, he or she may then submit allegations of non-compliance directly to the JRCERT. The institution/program grievance policy can be located in the College Catalog, Class Syllabi and Clinical Education Handbook. The Joint Review Committee on Education in Radiologic Technology (JRCERT) can be accessed at www.jrcert.org.
