

# Professional Behavior Traits and Characteristics

Student radiographers should exhibit professional behavior traits as outlined in the ARRT Standards of Ethics. Can be located at [www.arrt.org](http://www.arrt.org).

The student radiographer also should exhibit professional traits and characteristics in the following categories:

APPEARANCE COOPERATION LOYALTY  
INTEREST MATURITY MOTIVATION  
ATTITUDE SELF-DISCIPLINE COMPASSION  
PROMPTNESS POISE

Refer to Webster's Dictionary for accurate definition of each behavioral trait and characteristic.
