

Re-admission of U.S. Armed Forces Members

In the event that a student can no longer attend Wallace Community College due to military service, it is the policy of WCC that service members shall be readmitted with the same academic status as he/she had when last attending, or when accepted for admission to the College. An eligible service member qualifies if (a) the College is given notice of the service member's absence for service; (b) the cumulative length of absences from the College by reason of service does not exceed five years; (c) the service member gives notice of his/her intent to return by the applicable time limit.
