

Standards of Professionalism

If at any time, a student disregards standards of professionalism or engages in behavior which endangers his/herself or others, he/she may be immediately removed from the clinical site. In this event, the student and the designee should contact the Director of Clinical Education. Students who are deemed clinically incompetent will be removed from the clinical area. Repercussions are dependent on review of the allegations, demonstration by the student of the skills at the expected level of performance, and evaluation of the student's progress in the program. Repercussions are at the discretion of the reviewer(s).
