

Student Responsibilities

1. Maintain a professional appearance at all times. This cannot be overemphasized. Students are expected to comply with the policies of the Radiologic Technology Program.
2. Establish good working relationships with all personnel with whom you have contact.
3. Be responsible for all equipment and materials used during clinical assigned hours.
4. Gain the respect of your colleagues through professional and dignified posture.
5. Attend and participate in all scheduled clinic activities.
6. Consult with hospital staff, technologists, department supervisors, and/or college faculty for help with problems.
7. Participate in the evaluation of your clinical progress in conjunction with the clinical staff, clinical instructors, and program faculty.
8. Maintain an accurate, up-to-date record of competency evaluations. Be aware of the number and types of evaluations required during each academic term.
9. Observe the staff of the Radiology Department at work. This is a learning situation with many ideas and suggestions to be gained from watching these individuals.
10. Develop knowledge and background on clinical subject matters by reading the professional literature available.
11. Comply with the American Society of Radiologic Technologist Principles of Professional Conduct and the Patients Bill of Rights.
12. Comply with the ARRT Standards of Ethics for Radiologic Technology.
13. Comply with the Scopes of Practice of Radiography as outlined by the American Society of Radiologic Technologists.
