

Telephone

Personal calls may not be made on either College or clinical facility phones. Please instruct family and friends not to call while in the clinical setting. In the case of an emergency, the call should be made to the PN office or a PN instructor who will contact the student. If the PN office or PN instructor does not answer, the WCC switchboard operator can be contacted at 334-983-3521 or toll free at 1-800-543-2426.
