

Uniform and Professional Appearance Policies

Students are expected to adhere to the prescribed dress code for clinical education, and on-campus educational activities including theory and laboratory settings, regarding professional standards and personal appearance. Students should take responsibility for their professional appearance while representing Wallace Community College. In conjunction with the guidelines set forth by the ADN program, students must abide by any additional guidelines and/or standards mandated by policies of clinical facilities.

Good personal hygiene is mandatory. Unclean and/or unkempt appearance, unpleasant body or breath odors, including smoke odors, **are not acceptable**. Strong scents are to be avoided.
