

# Welcome from the President

Welcome to the Wallace Community College Family—where we are proud to call you a **Gov** and even prouder to help you succeed! At Wallace, everything we do is centered on **YOU—your education, your growth, and your future**. We are delighted you chose WCC, and we thank you for allowing us to be part of your journey toward a high-demand career or the next step in your academic path.

To prepare you for graduation and beyond, our dedicated faculty and staff are committed to providing exceptional instruction, guidance, and support. Our top priorities are your **education, career readiness, and well-being**. Just as important, we want your time at Wallace to be rich with opportunities for leadership, involvement, and fun through student organizations, clubs, athletics, and campus events.

When you graduate from WCC, you will be well-prepared—whether you are transferring to a university to pursue a bachelor's degree or entering the workforce. We are here to connect you with scholarships, internships, and job placement assistance while you are a student and after graduation.

As you begin this exciting chapter, please use our **Student Catalog and Handbook** and lean on the expertise of your academic advisor and your instructors as valuable resources for planning your course of study. And know this—I look forward to supporting you however I can.

It is my great honor and joy to serve you as your president. Welcome to Wallace Community College-Dothan, and Go Gobs!

**Dr. Kathy L. Murphy**  
President, Wallace Community College
