

BIO 252: Directed Studies in Biotechnology

This course allows independent study under the direction of an instructor. Topics to be included in the course material will be approved by the instructor prior to or at the beginning of the class. Typical projects will expose the student to the industry and provide practical application of laboratory procedures. Upon completion, students will be able to demonstrate knowledge of the topics as specified by the instructor.

Credits: 2

Lab Hours: 1

Lecture Hours: 1

Prerequisites:

C or higher in BIO107 *and* ENG101.
