

NUR 109: Role Transition for the Practical Nurse

This course provides students with opportunities to gain knowledge and skills necessary to transition from student to practicing nurse. Content includes a discussion of current issues in health care, practical nursing leadership and management, professional practice issues, and transition into the workplace. Emphasis is placed on NCLEX-PN test-taking skills, computer-assisted simulations and practice tests, development of a prescriptive plan for remediation, and review of selective content, specific to the practice of practical nursing.

Credits: 3

Lab Hours: 3

Lecture Hours: 2

Clinical Hours: 0

Prerequisites: NUR 105 and 106, ENG 101, and BIO 202.
