

Agriculture - Agriculture Science (Auburn University Only), A.S.

This plan of study was developed as a guideline for students who plan to transfer to Auburn University and pursue a degree in Agricultural Science. Students who plan to transfer to out-of-state or private institutions should consult that institution and plan their program of study in consultation with agricultural science faculty advisors and/or counselors. Some courses in this program are not available at all College locations. Upon completion of courses listed below, the transcript will reflect either an AA or AS degree without reference to the specific program of study.

NOTES:

- Must complete a 6-semester hour sequence in Literature or History.
- In the Area V Electives, program options and institutions may require a specific course or courses. Check The Alabama Transfer site and Area V page of your intended transfer institution for additional guidance.
- Transfer credits may not exceed 50% of those required for the 4-year degree.
- ORI 101: Course is not included in The Alabama Transfer site but is applicable toward the associate degree.
