

Agriculture – Poultry Science – Pre-Professional Option (Auburn University Only) A.S.

Through a Memorandum of Understanding (MOU) between Wallace Community College – Dothan and Auburn University College of Agriculture, this plan of study provides a pathway for Wallace Community College students to transfer to Auburn University College of Agriculture upon completion of two years of specified coursework that meets the preliminary coursework requirements for a Bachelor of Science degree in Auburn University College of Agriculture. Students who plan to transfer to out-of-state or private institutions should consult that institution and plan their program of study in consultation with poultry science faculty advisors and/or counselors. **Upon completion of courses listed below, the transcript will reflect with an AA or AS degree without reference to the specific program of study.**

NOTES:

Must complete a 6-semester hour sequence in history

The Area V electives are part of the MOU with Auburn University. Check the Alabama Transfer site and Area V page if your intended transfer institution for additional guidance. Transfer credits may not exceed 50% of those required for the 4-year degree.
