

Agriculture—Agronomy and Soils (Auburn University Only), A.S.

This plan of study was developed as a guideline for students who plan to transfer to Auburn University and pursue a degree in Agronomy and Soils. Students who plan to transfer to an out-of-state or private institution should consult that institution and plan their program of study in consultation with agriculture faculty advisors and/or counselors. Some courses in this program are not available at all College locations. Upon completion of courses listed below, the transcript will reflect either an AA or AS degree without reference to the specific program of study.

NOTES

* Must complete a 6-semester-hour sequence in Literature or History.

* In Area V Elective: Individual tracks require a specific course or courses in the indicated areas. Check the Alabama Transfers and Auburn University's Area V page for additional guidance. Transfer credits may not exceed 50% of those required for the 4- year degree.

* ORI 101 or 105: Course is not included in the Alabama Transfers Guide but is applicable toward the associate degree.

* PHY 201 is required for the Science track.

Type: Associate in Science
