

Horticulture - Nursery & Greenhouse and Landscape (Auburn University), A.S.)

Through a Memorandum of Understanding (MOU) between Wallace Community College - Dothan and Auburn University College of Agriculture, this plan of study provides a pathway for Wallace Community College students to transfer to Auburn University College of Agriculture upon completion of two years of specified coursework that meets the preliminary coursework requirements for a Bachelor of Science degree in Auburn University College of Agriculture. Students who plan to transfer to out-of-state or private institutions should consult that institution and plan their program of study in consultation with horticulture faculty advisors and/or counselors. **Upon completion of courses listed below, the transcript will reflect either an AA or AS degree without reference to the specific program of study.**

NOTES:

Must complete a 6-semester hour sequence in History.

The Area V Electives listed are part of the MOU with Auburn University. Check The Alabama Transfer site and Area V page of your intended transfer institution for additional guidance. Transfer credits may not exceed 50% of those required for the 4-year degree.

ORI101: Course is not included in The Alabama Transfer site but is applicable toward the associate degree.
