2023-2024 CATALOG ADDENDUM

Wallace Community College (WCCD) retains the right to modify the offerings and regulations outlined in its publications as necessary. While every reasonable effort has been made to accurately present information regarding the curriculum, regulations, and requirements at the time of publication, the College does not assume responsibility for editorial or publication errors. The statements in the catalog do not establish contractual relationships, and the College reserves the right to implement changes in course offerings, curricula, academic policies, and other rules and regulations affecting students. These changes will take effect as determined by the College and will apply to both current and former students. The most up-to-date edition of the catalog, along with any addendums, can be accessed on the College website, www.wallace.edu. The enrollment of all students is contingent upon adherence to these conditions.

This Addendum is an addition to the Catalog and is to be used alongside the Catalog, not in isolation. Changes listed in the Catalog Addendum supersede the published Catalog.

Catalog changes included in this Addendum are listed below:
